NEPTUNE PANDORA

Deck Overflow System

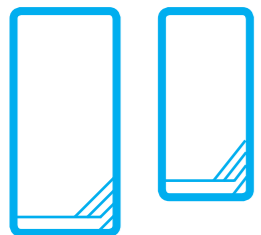

The Neptune & Pandora are modern deck overflow pools. Utilising the ever popular rectangular shape the Neptune is the larger and Pandora the smaller option, both in the same style. These pools allow the water to overflow the edges and with a selection of finishings surrounding the pool, you can obtain the perfect overflow look to suit your surroundings.

You can choose between a traditional white grate, tiled or hidden grate, with a choice of stones to cover as shown in the picture. See the specification page for more details.

SPECIFICATIONS AND ACCESSORIES

Design Service Available

We Offer:

Signature Pools gives you the complete swimming pool or spa delivered to your door. All our pools are tiled by expert professionals and all are supplied with light(s), inlets and suction fittings ready for connection. You can choose from many standard shapes and sizes or design your own. You choose the colour of the tiles, how many lights, inlets etc and we deliver the complete pool ready to go into the ground!

How Does This Benefit You?

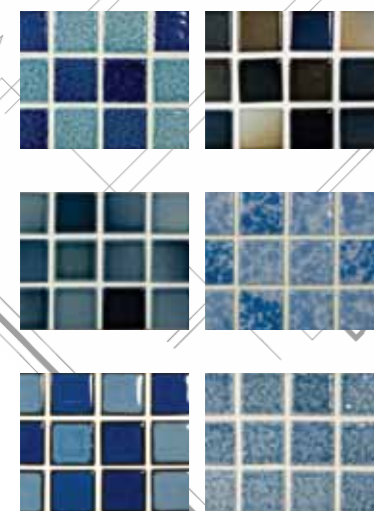

The Signature head office employs the very best skilled craftsmen, this ensures that every swimming pool or spa is guaranteed to maintain our very high standards. Whether you buy from our excellent selection of standard shape and designs featured in this brochure or we manufacture something specific to your specification (our designers can assist if required in planning something individual) the result is the same - the very highest standards are maintained

by our team of excellent craftsmen. By having your pool or spa delivered complete it will save you time, you don't have to wait for different tradesmen to come and finish your pool and the high quality is maintained.

How Long Will It Take?

Your Pool or spa can be delivered to your door within 4-6 weeks from date of order (subject to steamship schedules). Individual designs will be quoted at the time the order is placed.

Tile Options

If you don't see the tiles you want we will try and match the tiles you like or if you prefer to use your own, we can arrange for your tiles to be shipped and fitted.

Lights

We fit up to two lights in every pool/spa as standard in the price. Of course if you want more we will be happy to fit them for you, just talk to your dealer who will be happy to help and give advice.

Inlets / Suction

We fit up to two inlets and suction fittings as standard in all our pools and spas.

Steps and Seats

Each pool or spa is completed with steps and seats. The diagram against each pool or spa design in this catalogue give an indication which style is provided. If you want something different we can help, talk to your dealer.

All Signature pools comprise of a one-piece reinforced fibreglass shell. During manufacturing processes expansion and contraction may occur. Therefore, consumers should be aware that when the pool has been installed water level tolerances must be allowed for as per the current SPATA (Swimming Pool Allied Trades Association) guide lines.

WHY SIGNATURE

UK builders can complete pool projects in a fraction of the usual construction time, thanks to Signature Pools one piece system. Each swimming pool and spa is delivered to the site complete with tiling, lighting and accessories all in place. There are a range of tiles offered as standard but custom choices can be accommodated. The pools also come with options for LED lighting systems, Counter Currents and a range of Spa jets which can be to a bespoke design.

Signature Pools bring together the concept of a fibreglass swimming pool, which can be installed relatively quickly, together with the quality tiled finish associated with gunite. Quality is paramount and the system has been perfected over many years. Well established in Dubai, Signature are now available in Europe.

From Signature Pools, the one piece pool offers a luxury option, dramatically reducing the installation time whilst still providing a fully tiled swimming pool. Manufactured in a controlled environment using the latest composite technology; the pools are shipped and lifted into place with speedy installation enabling contractors to meet deadlines.

The 100,000 sqft manufacturing facility in Dubai is capable of dealing with high volumes to meet project requirements. Signature provides a complete turnkey service from consultation and design to mould creation through to manufacturing.

All Signature pools come with a 10 year pro-rated guarantee (2 year full manufacturers warranty for mosaic tiling).
